Thank you everyone for coming - and persevering in such dreadful downpours. It says a lot for the archers way of dealing with things. I was surprised to hear so much laughing and good humour in spite of the fact you were wet through to the skin. Even though the weather was so bad this year, there were still some good scores (Alas! mine was not one of them!)

Thank you to our gracious Lady Paramount, Mrs Sue Lawless who kept you so wonderfully

occupied with the raffle while the results were being calculated and of course, presenting the awards.

Thank you also our Club Chairman, Elaine, who puts in so much hard work behind the scenes. Also the field party, catering crew, and Robin for transporting in the extra bosses - without you all helping the tournament would not happen.

I hope very much we will see you next year - and have our usual sunny weather!

Dorothy
