Thank you all so much for coming, I just wish that the intermittent showers had held off for you all. Thank you to all the help from Coastal Archers members. Without the help and support I receive from them I could not run this tournament. A special thank you to our Lady Chairman, Elaine Coward who stoically puts up with my constant worrying. A thank you also to Mrs Creaser who was our very gracious Lady Paramount for the day.

One last thank you to Mark College for allowing us to hold the tournament on their field. Without this kind offer the Somerset Meeting would have had to be cancelled this year.

I hope you all enjoyed the day and that you will all come back next year.

Dorothy
