Thank you all for coming. Thank goodness the weather was good this year. I hope you found the traffic a bit easier too. We will be holding this meeting on the fourth Saturday in June from now on. I have a favour to ask those of you for next year. Could you all bring your club gonfalons with you? I would like to display and photograph them all together.

Thank you to our very gracious Lady Paramount, Jenny Bentley. Also thank you to Coastal Archers field party, and our chairperson, Elaine Coward who puts up with my constant worrying. Thank you Debbie who came so early to start the tea tent going and last but not least Alex, our 'whistle blower' who is my extra pair of eyes on the field. I certainly could not manage without all of you working so hard.

I hope very much that you enjoyed your day and will come back again next year.

Dorothy
