Thank you all for coming. It might not have been sunny but at least there was no rain and it was fairly warm. The wind was a bit tricky though. Once again the meeting will be held on the fourth Sunday in June next year.

Thank you to the clubs who brought their gonfalons. Perhaps next year more clubs will bring theirs too. I would like to make this a grand display. We do not have them out often enough. We should be proud of them.

Thank you to our very gracious Lady Paramount, Emma Coward. Also thank you to Coastal Archers field party and helpers, and our chairperson, Elaine Coward who puts up with my constant worrying. Thank you Robin who put up with my constant 'shrill by email' and came so early to start the field. Debbie who does the purchasing for the tea tent and last but not least Alex, our 'whistle blower' who is my extra pair of eyes on the field. I certainly could not manage without all of you working so hard.

Also could I thank Paul Sinnott for printing the special labels for our arrows.

I hope very much that you enjoyed your day and will come back again next year.

Dorothy
